

... is committed to providing quality comprehensive coordinated care to individuals with life-limiting illnesses in addition to support to their loved ones.

Mission Focus Care Hospice is committed to providing quality comprehensive coordinated care to individuals with life-limiting illnesses in addition to support to their loved ones.

Goal The goal of Focus Care Hospice is to provide palliative care that addresses the physical, psychological, social and spiritual dimension of service for the terminally ill as an integrated whole.

Our Values

- We serve our patients and their families with responsive solutions to their needs.
- We operate with integrity by treating our patients, doctors, and health care suppliers in a fair honest manner...as we want to be treated
- We treasure our staff by developing, and recognizing outstanding people and caring for them and their family.
- We contribute to our community by using our talents and resources to better the conditions in the diverse communities in which we work.
- Above all we believe in what we do...No one should spend their final phase of life in extreme pain and discomfort nor does a family need be without support.

Our Philosophy

- Recognizes dying as part of normal process of living
- Focuses on maintaining the quality of remaining life
- Affirms life and neither hastens nor postpones death
- Recognizes the patient and family as the unit of care and that they are in control of care decisions
- Supports patients and families that they may be free to attain a degree of mental and spiritual preparation for death that is satisfactory to them
